District Governor Eric Gordon made the DG annual visit in his not very comfortable red tennis shoes! The shoes symbolize the class of 29 District Governors who designated themselves "The All Star Class". Red is also for the Atlanta convention next year. Eric presented a video by John Germ, RI President and Chattanooga resident. He also presented areas of district focus: End polio now, Education & Literacy, Raise public awareness of Rotary, Outreach to you professionals & alumni and Foundation. He also stressed the need for a net gain of one by clubs and the desire for 70% of clubs to receive the Presidential Citation. Rotary is celebrating 100 years of foundation.

No Members born in September, we need more members!

Congratulations to new member Kathy Cool! Kathy was inducted to the club by District Governor Eric Gordon. Kathy is a newly retired elementary school teacher (along with husband Tim). She has involved with elementary education for 30 years. Thanks for joining us Kathy!

Eric also addressed the club on district goals (opposite page).

Rotarian Tim Cool FINALLY handed 4-way off to Rotarian Brad Bernkrant who is keeping at the office. Maybe 4-way is touring the country...all Rotarians need to brush up though
