SERVICE ABOVE SELF

One profits most

Who serves best

A big Thank You to Cocoa Beach Police Cheif Scott Rosenfeld! Scott has only been in this position for a year, but has 20 years of experience. He praised his predecessor, Buddy Ayers, but admitted the department still has a long way to go. Felt department needed a vision, "hope springs eternal". His vision for the force is to create an autonomous work environment and also to "reduce the fear of crime". He is still "out on the street" on a routine basis. Department is in 3rd year of accreditation as he continues to "make it better, more effective".

ROTARY SERVING HUMANITY

Did'ja know… on February 22, 1980, In one of the most dramatic upsets in Olympic history, the underdog U.S. hockey team, made up of college players, defeats the four-time defending gold-medal winning Soviet team at the XIII Olympic Winter Games in Lake Placid, New York. The Soviet squad, previously regarded as the finest in the world, fell to the youthful American team 4-3 before a frenzied crowd of 10,000 spectators. Two days later, the Americans defeated Finland 4-2 to clinch the hockey gold.

The Soviet team had captured the previous four Olympic hockey golds, going back to 1964, and had not lost an Olympic hockey game since 1968. Three days before the Lake Placid Games began, the Soviets routed the U.S. team 10-3 in an exhibition game at Madison Square Garden in New York City. The Americans looked scrappy, but few blamed them for it– their average age, after all, was only 22, and their team captain, Mike Eruzione, was recruited from the obscurity of the Toledo Blades of the International League.
