September 11, 2001 at 8:45 a.m. on a clear Tuesday morning, an American Airlines Boeing 767 loaded with 20,000 gallons of jet fuel crashes into the north tower of the World Trade Center in New York City. The impact left a gaping, burning hole near the 80th floor of the 110-story skyscraper, instantly killing hundreds of people and trapping hundreds more in higher floors. As the evacuation of the tower and its twin got underway, television cameras broadcasted live images of what initially appeared to be a freak accident. Then, 18 minutes after the first plane hit, a second Boeing 767—United Airlines Flight 175—appeared out of the sky, turned sharply toward the World Trade Center, and sliced into the south tower at about the 60th floor. The collision caused a massive explosion that showered burning debris over surrounding buildings and the streets below. America was under attack. It was masterminded by Osama Bin Laden who was found and killed during a raid of his compound in Pakistan by U.S. forces on May 2, 2011.

BE THE INSPIRATION

President Dick started the meeting with Happy Birthday wishes to Joe and John A plus a welcome back to Joe. He also announced his daughter Colotte has just become a resident of Cocoa Beach. He then introduced Brenda Mulberry, District Area Assistant Area 8 (our Brenda) who share Rotary information with us. Rotary began in 1900, the idea came from Paul Harris as he was new in town and introduced to different business owners. Members have a reputation of being “people of action” and “problem solvers”. Rotary connects a million people globally, 2.5 Billion children have been saved from polio. Rotary helps local and global communities. Some facts about our club: we had 45 members at on time, currently 25 members, in 1990 the first female was accepted into the club. As August is membership month Brenda challenged all to invite someone to our meeting. Important Dates: 10/24/19 World Polio Day, George Robinson Burnett to speak at Lincoln dealer at 5:00 pm, 11/22-26/19: RYLA, 4/30-5/3/20: District Seminar at Hilton.
